

Camp Christian 2020

Need to Know Info

Things you need to know to help prepare for your experience at camp!

WHEN YOU ARRIVE

Registration & check-in starts at the main pavilion.

ALL campers must accompany parents to check-in.

Campers will receive wristbands and then proceed to the chapel to check-in with the Health Supervisor. **AFTER** checking in with the Health Supervisor, campers can unpack and weather permitting, take their swim test.

Sleeping areas will not be open prior to check-in time.

If you are unable to arrive during the allotted check-in time, please notify the camp office ahead of time.

WHEN YOU DEPART

When picking up your junior age and younger camper, you will need the detachable tab to "check-out" your child. If you forget or lose your tab, please be sure to have photo ID. If someone else will be transporting your camper home, please notify the camp office ahead of time and make sure that they have the detachable tab or a photo ID. If there are closing program or check out details specific to your camp session, they will be available during check-in.

Entering & Exiting Camp

To help with the flow of traffic, please enter the camp through the main drive and exit out the back road.

It is our desire that all campers stay for their entire camp session, however we understand this may not always be feasible. If your camper has to leave early, please inform the camp office prior to the camp session.

Swimmer Safety

First Chance and older campers wishing to be in the pool during their program must take a swim test.

Colored wristbands will be given to campers to indicate their swimming abilities. All Overnighter and Day Campers will be restricted to the shallow end.

Full week camps & First Chance

After your camper has checked in and is settled in their sleeping area, they should take their swim test (weather permitting). Once finished, they may play gaga ball, nine square or other activities that may be happening in the check-in area.

Parents of Overnighter & Day Campers

Once you have completed the check-in process and are ready to leave, bring your camper to the chapel to meet faculty.

What to Bring

- An open heart and great attitude
- Bible, pencil, notebook
- Bedding (twin), pillow
- Toiletries, towels & washcloths
- Sunscreen, bug spray

 - e. Clothing should fit well and not be excessively tight

Pets are not allowed at Camp Christian
Please leave your pets at home, even while dropping off or picking up your camper.

Health & Safety

During each camp session there is a trained Health Supervisor on-site to address health and safety concerns. All medication must be in the ORIGINAL container and turned in to the Health Supervisor at check-in. We will make every effort to notify you if your camper becomes ill or sustains an injury. Please fill out your health form as accurately and completely as possible.

Visits & Phone Calls

Visitors (including family members) and phone calls are discouraged during camp sessions. If you need to get a message to your camper, please call the camp office 724-455-2700

Summer Mission:

Haitian Christian Outreach

Haitian Christian Outreach partners with Haitian Christians to transform a culture for Christ. Using a biblical model of ministry, their goal is to evangelize, equip, empower and encourage their partners. HCO is building generations of new believers through work in four primary areas: Church planting; Children; Health Care; and Community Development.

Campers have the opportunity to visit our camp store for snacks or other items.

Camp Store

Please note: the camp store will also be open during check-in and checkout for most of our camp sessions.

Mission & Store Cards

Campers are requested to purchase mission & store cards rather than carrying cash. Mission cards can be purchased in \$1 increments and store cards can be purchased in \$5 increments. If you did not designate these funds with your registration, contact the office so that we may have them ready when you arrive.

Care packages

Stop by the camp store to pick out items for your camper. Then choose a day for the care package to be delivered during mail time.

It’s that easy!
